SUBJECT.

Requests to obtain sanction for the purchase from the Local Funds for Rs. 1500/- of the Rest House without houses & built near the Tondebhavi Station for the use of the Officers of the Bangalore-Hindupur Railway &c.

Sir,

Submitted for order.

Under the existing orders, fees are leviable for the occupation of III Class I. Bungalows only and not of Musafirkhanas.

If the D. Comr. proposal to levy fees for the occupation of the proposed rest house be sanctioned, the Rest House ought to be classed as a III Class I. Bungalow.

It is doubtful whether the building will be of any use for travellers as it is right on the road. Should the matter be referred to the L. & P. W. Department? If the building of Musafirkhanas has not yet been commenced, whether the building may not be furnished & utilized as a musafirkhana for the time being.

2. The actual cost of the buildings has been almost identical with that due to rates per superficial foot of plinth area, communicated by

3. The Rest-House &c may be taken over by your Local Fund Board or utilized by the Southern Mahratta Railway or dismantled, but I now make your Local Fund Board the first offer for the Rest House with Out-offices and Compound for a lump sum of Rs. 1500/. and if they agree, you may take possession at once and if convenient, pay at the commencement of next official year.
